## History

TBA

## Physiology

The **Ancient High Fey** were between 5 and 6 feet tall, and had a humanoid appearance, they had four toes and three fingers (plus an opposable thumb) on their hands, they had a pair of stow-able insect-like clear veiny wings which they could use to achieve short bursts of flight.

## Abilities

### Magical

#### Delayed Immortality/Longevity

Due to their connection to magic as a life-force the **Ancient High Fey** were incredibly long lived bordering on immortality on their longevity.

#### Wing Manifestation

The Ancient High Fey were able to stow their wings in organic pouches along their back at will. These wings allowed them to maintain short bursts of flight.

#### Flight

The **Ancient High Fey** were capable of short bursts of flight (approx. 5 minutes).

### Physical

#### Climbing

Because of their fingers and toes, **Ancient High Fey** were very capable climbers allowing them to reach high in trees to get fruit and berries.
